Dear Sharon Brown,

Thank you kindly to you and the team at Bereavement Services for your generous donation of £4,321 your fundraising will help us to support people to live well with dementia in your area.

There are 800,000 people with dementia in the UK with numbers set to rise to one million by 2021. Now more than ever it is vital to ensure that those affected by dementia get the best support that they can.

Through our network of over 2,000 services, we help over 30,000 people each week, providing a range of practical services for people with dementia and their careers.

This work has only been possible because of the generosity and support we receive from people such as you.

With your help we will realise our vision of a radically improved world for people with dementia.

Yours sincerely,
