Dear Mr Dunn,

On behalf of Cancer Research UK I would like to thank you for your very kind donation of £5,154.00 raised through your recycling scheme. I would be most grateful if you could forward our thanks to all of those who helped raise such a staggering sum. It is very kind of you to support our work at this time. Please accept this letter as your official receipt.

At Cancer Research UK we carry out world-class research to improve our understanding of cancer and find out how best to prevent, diagnose and treat different kinds of cancer. We ensure that our findings are used to improve the lives of all cancer patients. We also work in partnership with others to achieve the greatest impact in the global fight against the disease.

It would be wonderful if you were able to support us again, and please feel free to contact me or your Area Volunteer Manager, Carol Bennett, at the above number if you would like any further information about our work.

Thank you once again. Together we will beat cancer.

Yours sincerely

Anthony Moscrop-Jennings
