

**An invitation from Bramcote Crematorium  
to the ICCM Midlands and Mid-Wales Branch Meeting  
on Friday 19th July 2019, 10.00 – 13.00**

Bramcote Bereavement Services manages and operates Bramcote Crematorium.

The Crematorium was built in 1979 in a joint venture by Broxtowe Borough Council and Erewash Borough Councils. It is of contemporary design and set in 18 acres of natural Woodland. There is a constant programme of improvements to ensure the best possible services are provided.

Bramcote Bereavement Services also administers funeral bookings for Broxtowe Borough Council's five cemeteries and for Erewash Borough Council's three cemeteries.

Access to the Crematorium – post code NG9 3GJ – is very good.

Full address and further details can be found at  
<http://www.bramcotebereavement.org/contact/>

Manager Louise Singer and her bereavement team have kindly arranged for Members and their guests to have a branch meeting at the Crematorium, including a tour of the chapel and crematory.

Agenda items are yet to be confirmed but we are hoping to secure a key note speaker on a relevant topic and will have the usual time for attendees to network and share information.

The meeting will conclude with a lunch kindly sponsored by Peter Roper of The Columbaria Company.

Please RSVP by 21st June 2019
