For enabling Phoenix to receive the proceeds from the Crematorium Metals Recycling Scheme, an amazing £3,333, received in October 2014

We receive no Government or Local Authority funding. We can only carry on our work with the wonderful support we receive from community fundraising.

Phoenix’ vision is that all Herefordshire children and their families who experience the death of someone close to them can access support that increases their resilience, reduces their isolation and brings them hope for the future.

Since opening our doors in January 2012, 187 children have been referred to Phoenix.

Thank you, once again, for your support, we really appreciate it.
