

New cremation application forms must be used from 4th April 2019

The Scottish Government is introducing new cremation application forms. **This means all cremation application forms will be replaced from 4th April 2019.**

These new application forms will be able to be completed electronically or by hand.

If you are a funeral director, your crematorium manager will be able to provide the new application forms to you in advance of 4th April 2019. Before this date, all cremations should be applied for using the current application forms.
