The next SE Branch Meeting will take place on Tuesday 30th April 2019 at Clandon Wood Natural Burial Ground, West Clandon, Guildford, Surrey GU4 7FN (TTT for satnav)

Clandon Wood has 31 acres of traditional wildflower meadowland, lakes, wetland and young woodland and their national award winning naturally managed burial ground provides the perfect resting place whatever faith, belief or thinking. It was designed as a nature reserve as well as a burial ground. Careful management by their professionally qualified personnel with expertise in conservation and arboriculture enables them to create a lasting legacy for future generations.
