Brookwood Cemetery, also known as the London Necropolis, first opened in 1854 and was at one time the largest cemetery in the world. Today, it continues to be the largest cemetery in Western Europe and since its opening, approximately 250,000 people have been laid to rest within the beautiful grounds.

Please email me by return if you wish to take the tour as numbers are limited due to the size of the site – buses will be laid on. Please RSVP by Friday 9th June latest for the meeting, presentations & lunch. I look forward to seeing you all there, Branch Secretary Heather White MICCM Dip (Hons) Email: heather.white@southampton.gov.uk  T: 023 8076 6405
