The tour: A volunteer tour guide will begin a presentation in the show-room covering the history of the poppy as the national symbol of remembrance, the heritage of The Poppy Factory and how they continue their founder’s vision by supporting wounded, injured and sick ex-Service men and women into civilian employment within their own communities. The presentation includes video films and historical artefacts before you walk round the factory floor and see how the poppies, crosses and wreaths are made.

If you wish to attend the morning meeting only places are still available - RSVP by Monday 21st November to SE Branch Secretary Heather White Email: heather.white@southampton.gov.uk T: 023 8076 6405
