29th October 2014

Dear Mr Robson,

ICCM RECYCLING OF METALS SCHEME - LORD MAYOR'S CHARITY

I wanted to write to thank everyone at ICCM and the loved ones of the deceased who very kindly allowed one of my chosen charities, to benefit from the ICCM Recycling of Metals Scheme.

I was overwhelmed to receive the cheque for £3334 for Nottingham Samaritans.

The Nottingham Samaritans know that life can be unbelievably tough and never know when people may want to talk to them so they are always open, round the clock, every single day of the year. It is a safe and totally confidential service where people can be themselves. The service is manned by volunteers, not trained professionals, who are trained to listen to people, not ‘fix’ or ‘cure’ them. Nottingham Samaritans receive no government funding, so it’s donations that keep them going.

I am delighted that Nottingham City Council is a member of this fantastic scheme and that the Nottingham Samaritans have been able to benefit.

Once again your kind donation is very much appreciated.

Yours sincerely,
Cllr Ian Malcolm
Lord Mayor of Nottingham
