Classes of Membership

There are four classes of membership of the Institute:

Life Members Fellows Members Associate Members

Life Members and **Fellows** are those Members of the Institute who are deemed by the Board of Directors to have made a significant contribution to the work of the Institute or to the bereavement services industry. The election by the Board of Directors to one of these classes of membership is an honour and recognition of the achievement of the Member.

To qualify as a **Member** of the Institute, the applicant must be of suitable character to enjoy the status of Member, and must also hold the Institute's Diploma. Holding 5 consecutive year's certification in the Institute's Continuing Professional Development Scheme will also qualify a person to become a Member.

All successful new applicants of the Institute will be classed as Associate Members. In order to be eligible for Associate Membership, applicants must **either**:

- a) be students registered for the Institute's examinations, or studying under the crematorium Technicians Training Scheme or Cemetery Operatives Training Scheme, **or**
- b) be a non-Diploma holder gainfully employed in a burial, cremation or similar undertaking connected to the disposal of the dead or a public ancillary service thereto.

Please note that all classes of membership hold full voting rights, but that only Life Members, Fellows and Members shall be eligible to act as Directors of the Board.

Designations

Members of the Institute may use the following abbreviations after their names to indicate their membership of a professional body:

Fellows FICCM
Members MICCM
Associate Members AICCM

Diploma holders may add (Diploma) or (Dip) after the appropriate abbreviation.

Powers of the Board of Directors

The Board of Directors or an officer appointed by them may determine the class of membership in the case of doubt, e.g. in the case of applications from Diploma holders or other previous Members who have let their membership lapse.
