Dear Mr. Morris,

I am contacting you to thank you for the wonderful donation of £4,444 through the ICCM Recycling of Metals Scheme. We are so grateful for the continued support and we are delighted that you decided to donate to Bradford Bereavement Support. We would like to thank all the people involved in the recycling scheme.

As you are already aware, our services provide support to people who are often facing difficult times due to the loss of a loved one. We offer one to one free counselling to people in Bradford by a team of trained volunteer counsellors. So far since April this year we have offered counselling to 86 people.

The money you have donated will enable us to extend our training programme and increase our new cohort of volunteer counsellors this autumn.

On behalf of Bradford Bereavement Support, thank you for your kind donation and your support of our charity.

Yours sincerely,

Joy Archer
