Dear Mr Allison

Feergus is one of the children who, thanks to your kindness, CHAS cares for. Your amazing donation of £5,000 for the ICCM Recycling of Metals Scheme means that Feergus and his family can enjoy fun times when they stay at CHAS.

Feergus is nearly two-years-old and has a life-shortening condition. For him and his family – mum Emma, dad Ronan, big sister Evie and brother Aidan - some of their favourite times are spent at CHAS.

Emma shares what their visits to the hospice means to them: "It's about living, it's not about end of life all the time. It's about making the best of what you have and making memories because that's really all we are doing is making memories."

Thanks to your donation our Rachel House Children's Hospice in Kinross, Robin House Children's Hospice in Balloch, and our CHAS at Home team, which cares for families in their own homes, are there for families when they need us most. It means they can create a lifetime of memories.

Thank you from everyone at CHAS for your support. It allows us to care for families like Feergus' when they need us most.

Best wishes
