Dear Mr Birchenough

It is with sincere thanks that we received the cheque from ICCM Recycling of Metal Scheme for £5000.00 Please find attached our receipt for your files.

FSN are extremely grateful to you and your colleagues for your continued support of Dragonflies Childhood bereavement project.

During 2017 the numbers of children and young people seeking support increased with the project seeing a larger number of pre-bereaved families. During the autumn months of 2017, over 50 referrals were received with 40 local children age 5- 14 years who had lost someone close to them attending the peer group sessions, the numbers of children supported since the project started in late 2006 increasing to 1932 to date.

The project continues to offer a free service including, peer group sessions, home visits, telephone support, events and outings, but it is only with the generosity of our supporters for which we are eternally grateful that we are able to continue to do so. Thank you for your kindness and consideration in supporting our pre- bereaved and bereaved families.

We would be grateful if you could pass on our sincere gratitude to all your staff involved in the scheme.

Kind regards

Stephanie Edmonds
