

The Foundation will receive your cheque at a presentation event, organised by Solihull MBC, in early May.

We have chosen to allocate your donation to the provision of Memory Boxes. Your donation will enable us to provide a further 64 Boxes to bereaved parents, living locally, to help them create and collect special and immediate memories of their lost babies.

You may wish to visit our website: www.lilymaefoundation.org for further information of our work, activities and events.

I trust that you will like our recent Facebook post.

Thank you once again for your most generous donation; we really appreciate your kindness.

Very best wishes to all the members of your Recycling of Metals Scheme and to all the bereaved families, who gave their consent to recycling, in support of your most creative and innovative programme.

Geoffrey Heaps
On behalf of the Trustees.
