

Mercury Survey

Notice to all Crematoria

In order to provide reassurance to DEFRA that the industry is moving toward compliance with legislation and avoid enforcement it is essential that as many as possible responses are received to the following questionnaire. Responses from those crematoria that may be unable to install abatement equipment are particularly required.

If you have not yet submitted your response it would be greatly appreciated if you could do so at your earliest convenience. Thank you in advance for your assistance.

Please Fax your completed questionnaire to 01753 770984

Or email to tim.morris@iccm-uk.com
