Dear Trevor

Thank you so much for the recent donation of £4,444.00, donated to us in connection with your nomination of Rainbows to receive the Institute of Cemetery & Crematorium Management's donation raised from the recycling of metals. This scheme is a constant reminder of the incredible things that our supporters do to bring love, smiles and laughter to over 350 children and young people who currently visit or are supported by Rainbows.

At Rainbows we're much more than a hospice. We have an incredible care team who open their arms and bring hope and support to life-limited children, young people and their families every day and it's only thanks to people like you all that we're able to do this. As the East Midlands' only hospice for children and young people, we're a place where life-limited children and their families can take a break from life's worries and heartaches. It's a place where parents can be parents, not simply carers.

Thank you from everyone at Rainbows.

Andrew Ball
Director of Income Generation
