Dear Trevor,

It was wonderful to receive your donation of £5,000 which was donated to us through the nomination by Gilroes Crematorium in Leicester through the Institute of Cemetery and Crematorium Management.

Your gift is a generous act that has positive effects beyond the money itself. It gives us all here at Rainbows a real sense of just how important our supporters are in enabling us to provide the care and support needed by our children, young people and their families.

Rainbows is about much more than the medical care our children and young people receive. Your donation has provided music therapy to help a child to communicate their feelings. It has offered a safe, comforting place for grieving parents to say goodbye. It's given a young person the chance to splash in our hydrotherapy pool for the first time, and much, much more.

On behalf of the children, young people and families who need your support: thank you.

With very best wishes,

Gary Farnfield
