Dear Mr Robson

I'm writing to thank you on behalf of the Mayor of Milton Keynes for the very generous donation from the Recycling of Metals Scheme to the Mayor's Charity. Your letter and cheque were passed to us by Angela Abbott, the Council's Bereavement Services Manager.

The donation will greatly assist The Redway School, a special school in Milton Keynes which supports young people with profound disabilities, some of which are life-limiting.

With kindest regards,

Miranda Rehm
Secretary to the Mayor
