Dear Mr Robson,

I am writing to acknowledge safe receipt of the donation of £5,000 raised by the ICCM Recycling of Metals Scheme. This donation has been presented to The Royal Marsden Cancer Charity at the request of Mortlake Crematorium Board.

This donation really makes a huge difference and goes straight to where it is needed most. It can help fund cutting edge research and the most advanced and innovative technologies to enable our clinicians to diagnose cancer earlier, target tumours more effectively and assess treatments with greater accuracy.

Once again, thank you, the staff and patients here really do appreciate your support

Yours sincerely,

Joanne Bell
