

**Position:** Site Manager – Forest Park

**Salary:** £36,000 per annum

**Hours:** Full time (40 Hours per week)

**Who are we?**

At Westerleigh Group, our vision is to provide exceptional care in a beautiful setting, so that families and friends are able to remember, mourn and celebrate the lives of their loved ones in a way that is uniquely personal.

We are the leading developer and operator of crematoria and cemeteries in the UK, caring for over 40,000 funerals each year.

Working together as one team, we deliver the highest possible standards of care whilst always putting the safety of our employees and customers first. Our proven expertise and years of experience have established our strong reputation in this highly specialized field.

### **The Position**

We have an exciting opportunity for a Site Manager at our Forest Park Cemetery and Crematorium in Hainault, Essex. You will be joining an established team of 7 and a site which also has responsibility for four churchyards / cemeteries in the London Borough of Redbridge caring for over 1300 cremations per annum.

The role of a Site Manager is varied, busy and challenging where you will take ownership of the site financial obligations, lead and develop your team, develop relationships with funeral directors and links within the local community. Maintaining relationships with the local council cemetery owners to ensure the service provided is within agreed terms. You will play a major role in the hands on day to day operation of your site and cemetery operations ensuring compliance with cremation and burial procedures and legislation, reflecting our values and creating a culture and environment focused on standards and putting families first.

We are seeking a candidate who is highly flexible, well-motivated and self-starting who possesses the drive and energy to provide the highest level of service to the bereaved. You must have significant managerial experience and be keen to develop the site and team to drive improvements and deliver results.

### **The Person**

The ideal candidate will have:

- A caring and sympathetic nature to deal with the bereaved at a sensitive time.
- Experience in leading and managing a small team.
- A proven track record in driving improvements and performance.
- Experience with basic financial procedures and reporting.
- A desire to learn and develop within the bereavement industry.
- A flexible and approachable attitude to the needs of the public.
- A good standard of education including a sound knowledge of Mathematics and English.
- Crematorium and cemetery management experience would be advantageous.
