Dear Tim,

On behalf of Weston Park Cancer Charity I would like to thank you for your generous donation of £4,337.00 in lieu of the of the Institute of Cemetery and Crematorium Management scheme. We would also like to thank Kathryn Rodgers for kindly nominated us for the donation from the scheme.

Over the past 22 years, thanks to people like you, Weston Park Cancer Charity has made a huge difference to the comfort and care of local cancer patients and has made significant contributions to the international fight against cancer. We remain absolutely committed to continuing and extending this valuable work.

It's an exciting time at Weston Park Cancer Charity as we've recently launched a new 5 year plan which sets out how we're going to help more and more cancer patients in the future, both at Weston Park Hospital itself and also supporting projects that benefit cancer patients in their own communities.

Your donation will enable us to continue to invest in pioneering cancer research taking place locally and to improve the services and support available for cancer patients and their families. Thanks to you we can work in partnership with others to ensure local people have access to the very best in cancer care and to make sure that more families in our area stay together for longer.

Thank you once again for supporting our important cause and helping to create a better life for people and their families who are living with cancer.

Yours sincerely

Tina
