<b>Candidate 1</b>	
<b>Candidate 2</b>	
<b>Candidate 3</b>	
<b>Candidate 4</b>	

<b>COTS 2b</b>	
<b>Please provide details below of the name of each candidate, and the level of experience that they currently have using dumper machinery:</b>	
<b>Candidate 1</b>	
<b>Candidate 2</b>	
<b>Candidate 3</b>	
<b>Candidate 4</b>	

<i>By signing below, I understand that in requesting a quote, should the training go ahead, the authority will be responsible for providing the equipment detailed on the On-Site Requirements Sheet, and the following:</i>	
<b>COTS 1, 2a, 2b and 3:</b> An area suitable for the digging of a grave/multiple graves, free from utilities and set apart from the current area used for burials	
<b>COTS 2a</b> 1 x excavator per candidate	
<b>COTS 2b</b> At least one dumper	
<b>COTS 3</b> Classroom facilities suitable for the number of attendees (ideally with computer access and broadband available).	
Please note that failure to provide the required equipment may result in the training being postponed and rearranged at a later date, with the cost being borne by the hosting authority.
