## BACKGROUND

- Conceived four years ago, following family bereavement
- Lack of transparency / Finding a competitive service difficult / a lottery
- Extensive market research to establish a need
- Collected over 3,400 funeral directors costs for a “simple funeral arrangement”

## THE SERVICE

- A clear snapshot of funeral directors and their prices within specific post code areas
- Reduces the need for consumers to “shop around” at a distressing time
- Allows individuals to know who they are calling, i.e. independent firm/large chain
- Enables bereavement agencies to help people without recommending one firm
