4 April 2017

Dear Ms Curtis

Thanks so much for forwarding the very generous cheque for £5,000 made by the members of the recycling scheme. This is tremendous donation for a small charity and makes a significant difference to our capacity to support the families who come to us in distress due to bereavement or life threatening illness. Please pass on our sincere thanks and appreciation.

This has been an exciting year here at The Rainbow Centre with lots of developments, notably our new partnership with the national children's bereavement organisation, Grief Encounter. This partnership will enable us to extend the range of support services that we can offer to children and families in Bristol affected by life threatening illness and bereavement. I enclose an update for your information.

The Rainbow Centre for Children 27 Lilymead Avenue, Bristol, BS4 2BY
