

05 April 2017

Dear Tim

On behalf of everyone at Rainbows Hospice, thank you so much for your incredible donation of £5,000 raised through the ICCM Recycling Metal Scheme. We really appreciate you thinking of the children and young people that need your help in this way.

It isn't easy in a letter to show you how much of a difference your donation and others like it make. It's impossible to show you with words alone the children's smiles as they play at Rainbows, or the relief on the faces of parents who rely on us for support as they walk through the front door. However, because of your generosity, you have helped make this possible. This and many other incredible things that Rainbows does for families and young people, every single day of the year, is down to supporters like you.

Because of you all, the start of 2017 has been full of fun activities. Our young people have enjoyed a glass fusion workshop and their finished colourful creation will be displayed in the hospice. Leicester's Cocoa Amore provided a tasty treat for our sibling's with a chocolate making workshop and our children dressed up as pirates and went on a special treasure hunt!

These special memories wouldn't be able to happen without you so thank you again for choosing to support us, you are all truly amazing!

Yours sincerely
