

# ICCM South Eastern Branch Meeting Saturday 13<sup>th</sup> September 2014

An invitation from Linda Barker, Bournemouth Cemeteries and Crematorium

Bereavement Services Manager & SE Branch Chairman

Bournemouth Crematorium sits within the grounds of the North Cemetery. The cemetery opened in 1927 and the chapel was converted to a crematorium in 1938. In 1962 a second smaller chapel was added which has recently been refurbished.

The waiting room complex was extended in 2010 to include a new Memorial Book Room and in 2011 the crematorium was extended further to include a plant room for the installation two mercury filtration units.

This tranquil site of 25 acres includes traditional and lawn burial areas, a woodland 'Glade', right and formal Rose Gardens.

The 'Butterfly Garden', below was opened in 2008 and is a place of reflection and contemplation to the memory of all children.

The guest speaker is Shonagh Gibb, bereavement midwife from Poole Hospital. Her presentation is entitled "Sensitive cremations of babies under 24 weeks gestation".

Blue Donnebaer of Blue AV will be giving a short presentation "Taking the jargon, magic and mystery out of audio installations".
