

21st Century Cemetery Landscape: Survey of new cemeteries post 2000

The focus of this survey is to identify and locate new cemeteries including natural burial grounds that have been completed since 2000. A new cemetery may include new crematorium but for the purpose of this survey does not include cemetery extensions. Please complete all the information sections you can, any information you provide would be helpful. If you are aware of multiple sites please complete a form for each site.

Section A: New cemetery/crematorium post 2000

Cemetery Name and Year of opening: (For example, Seaham New green Cemetery, April 2005)

Location: (Road/Postcode of cemetery) (For Example, Lord Byron's Walk, Seaham, County Durham SR7 7AD)

Ownership: (For example, local authority, private company, religious denominations, charitable trust, etc)

Approximate size (hectares): _____

Burial provision: *(Please tick all the apply)*

- Traditional lawn grave
- Natural burial (meadows, woodland, etc)
- Cremated remains (columbaria, strewing areas, etc)

Other: _____

Is it multi-Denominational? *(Please tick)*

Yes No

If No, is this provision specific to one religious group?

Please provide the website details for the cemetery/crematorium (if there is one):

Section B: Additional Information

We are interested in visiting a number of sites. In making that choice, it would be helpful to know:

(Please tick)
