Dear Supporter,

Thank you!

I would like to express my sincere thanks for your very kind donation of £5000.00, which we gratefully received on 14 June 2017. The money was raised via your metals' recycling scheme.

Your support allows us to provide the vital care that our patients and their families need, and it is your help that makes a direct difference to their quality of life.

In the last year we have set out our new 10 year Vision to develop our services to help even more people in the area. By 2025 we aim to:

- *Open our remaining adult inpatient beds*
- *Provide a dedicated Young Adult unit and grow our children's service*
- *Develop dedicated accommodation for carers and bereaved families*
- *Develop expertise and capacity in non-cancer conditions*
- *Develop a Palliative Care Co-ordination Centre as a bureau to advise all providers in the North of Tyne area*

We will only be able to achieve our Vision with the help of people like you.

We are extremely grateful for your continued support and hope you too will feel proud of the way St Oswald's Hospice is continuing to grow and develop thanks to your generosity.

Thank you once again. We couldn't do it without you.

Best wishes,

Judith Dunn
